### Kitten & Cat Café | Crumbs & Whiskers

I started Crumbs & Whiskers in 2015, after visiting a cat cafe in Thailand. It took a lot of hope, risk, and late nights, but I'm so proud of the company I've created. I hope you can experience the magic of our cat & kitten cafes.

\*\*\* Per the new Los Angeles City vaccine mandate, starting November 8th we will be requiring all of our guests 12 years and older to be fully vaccinated (at least 2 shots of Pfizer or Moderna, or 1 shot of J&J dated at least 14 days prior to your visit). Guests 7 - 11 years old must show a Negative COVID-19 test result or proof of their first vaccine dose before entering our cafe. The PCR COVID-19 test MUST have been taken within 72 hours of your experience time. Proof of vaccines includes CDC card or digital equivalent. You will be required to show these items, as well as an ID, before entering our cafe.

\*\*\* EACH TICKET IS INDIVIDUAL. Make sure to choose the correct QUANTITY of attendees you are purchasing BEFORE you select which time you would like to book for. You must purchase one spot PER PERSON.
